COUNTLESS POSSIBILITIES:

The HL collection of fine jewelry offers a vast selection of styles, along with the flexibility to change any element that will reflect your individual taste and budget. Our special order department will help you along the way with any changes you may choose, insuring you of the finest quality and craftsmanship we are known for in the jewelry industry.

CAD DESIGNS:

Computer Aided Designs allow you to be the designer. We can help you convert your idea into a beautiful work of art. With the design system and grower in place at our location, each detail is carefully checked and reviewed.

HAND CARVED:

Hand carved waxes are still a valuable option when it comes to slight modifications of any one of our signature styles, such as adding stones, filling channels, or changing shanks.

HAND ENGRAVED/MILGRAIN:

HL offers Hand Engraving on all of our styles to add that personal touch.

METAL:

We cast designs in nature's most precious metals: Platinum, Palladium, White, Yellow and Rose Gold. Gold is available in 14 or 18 karat.

CUSTOMER'S CHOICE:

Because HL is the manufacturer, all casting is done in house. Therefore any style is available in two-tone, white, or yellow gold—14 or 18 karat.

STONE SETTING:

If you choose, we will set your stones in our mountings. We can also supply all or part of the melee required and setting of your major is always an option.

HL Manufacturing is committed to customer satisfaction by providing top quality products and services at competitive pricing that meets or exceeds customer expectations, working together in the spirit of teamwork and ongoing improvement.
